Maker's Fair Spots are Going Fast

Calling all FPE crafters, makers, and builders! Maker's Fair is Friday, April 24th at 6:30pm in the school cafeteria and courtyard. Just 9 spots are left for makers to show their wares! Doors open at 6:15pm for makers to set up. [Register](#) in advance for a booth: <https://signup.com/client/invitation2/secure/462240894021#/invitation>

We are also looking for a few volunteers to help setup before the event, help monitor the back doors, or tear-down tables after the event. If you are available to help with any of these activities, please email president@fpepta.org. Thank you for helping to make this a successful event!

New PTA Board and Committee Members Needed

Next year we have a number of board members graduating and are looking for your new ideas and energy. Open positions that we don't have any candidates for include Vice President, Secretary, Community Chair, Legislative/Advocacy Chair, Social Chair, Spirit/Events Committee, Equity Committee, and Fundraising Committee. Most roles only take 2-3hr/month or can even be just helping put on one event a year. If there's any chance you'd be able to help fill a role and are interested in learning more, please email president@fpepta.org to setup an informational coffee/chat.

Fairmount Park Plastic Film Drive

Fairmount Park is wasting less! This month, in celebration of Earth Day, Falcons are learning about taking care of the Earth and the impact of plastic on the environment. In partnership with Ridwell, we will be collecting plastic film during the week of **April 27th to May 1st**. Students can bring clean plastic film from home to add to our recycling.

Plastic film includes plastic shopping bags, produce bags, bubble wrap, cereal box liners, shipping envelopes, bread bags, and Ziploc bags. Ridwell sends the plastic film they collect to Trek to turn into decking material. You can find more information about our school's drive on our website: <https://get.ridwell.com/fpe>

If 10 new families sign up for Ridwell collection through our website, our school will earn free plastic film pick up for the 2026-2027 school year. Let's see how much plastic film we can collect!
